

Invitation for officers posted in tricity for Women's Day Celebration on 07.03.2024 at 1:00 PM at SARAS MELA at Parade Ground, Sector-5, Panchkula.

NADT, RC, Chandigarh in collaboration with Haryana State Rural Livelihood Mission ,Government of Haryana has arranged for interaction with women artisans who have presented their handicrafts and food items in the ongoing SARAS MELA at Sector-5, Panchkula. These women artisans are reflection of that strata of women who have been empowered with the help of government initiatives wherein they have been trained in their skills so to enable them to create marketable products to support their livelihoods.

This initiative is founded on women centric approach as a woman in any household is chosen to be trained who in turn trains her household to support her work thereby empowering her whole household. SARAS Mela is a testimony to this process of empowering whole families through women-based leadership. We believe that this is an important opportunity to recognize and celebrate the achievements of women who are lynchpin of empowerment in their surroundings.

The event will begin with lunch featuring homemade items by these women followed by interaction with these women artisans along with meandering through their stalls so as to appreciate their skills and contribute in their livelihoods.

Therefore, on this International Women's Day, NADT, RC ,Chandigarh is honored to collaborate with these women to support their livelihood initiatives by arranging a visit to their handicrafts market which is hosted as SARAS MELA at Parade Ground,Sector-5, Panchkula at 1:00PM.

We would be privileged to have maximum participation of officers posted in tricity so as to show our token of appreciation and respect for these women artisans.
